Dear Friend of Bloomington,

I am honored to announce that the Borough of Bloomington will be celebrating its 100th Anniversary on February 23, 2018, and I am writing today to invite you to be a part of this moment in our "American Small Town" history. We have a dynamic Centennial Committee, formed of dedicated volunteers of our community, and are organizing two major celebrations during Bloomington's Centennial Year.

Plans are underway for both Winter and Summer Celebrations in February and June of 2018. Ideas for the Winter Celebration, to be held in February, include a temporary ice skating rink, horse and carriage rides, caroling, and a display of Bloomington history and memorabilia. The Summer Celebration in June, will include a day of fun with children's rides, carnival games, concert with local bands, beer garden and of course, the day will commence with a spectacular fireworks display!

The committee would like to be able to open all of the amenities of these celebrations at no cost to the families of Bloomington. To be able to make these exciting events, celebrating Bloomington's 100th Anniversary available, I am asking for your support. Your help bringing these events to life will be recognized at our events, and continually throughout the months leading up to, and including, the day of the events. Attached, you will find a page outlining different levels of sponsorship. Your generous support will help ensure we will have successful, well-attended events. As always, our events are enjoyed by our residents, who all share the same sense of community and pride.

I understand how busy we all are, and I do appreciate your time. If you have any ideas or thoughts about these events, please do not hesitate to contact me at (973) 838-0861 extension 243. One of our committee members will be in touch to follow up with you in the coming weeks, and will be able to answer any questions you may have.

Thank you for your consideration and your support. I hope that you will be able to assist us in making the 100th Anniversary of our town a great success....one for the history books!

Yours truly,

Mayor Jonathan Dunleavy
Chairman
