ORDINANCE NO. 39-2023 OF THE GOVERNING BODY OF THE BOROUGH OF BLOOMINGDALE

AN ORDINANCE OF THE BOROUGH OF BLOOMINGDALE, COUNTY OF PASSAIC, STATE OF NEW JERSEY, AMENDING CHAPTER 24, ENVIRONMENTAL REGULATIONS, OF THE BOROUGH CODE TO ADOPT NJDEP-MANDATED REGULATIONS FOR PRIVATELY OWNED SALT STORAGE

WHEREAS, as part of the MS4 Tier A permit stormwater requirements, the New Jersey Department of Environmental Protection (“NJDEP”) requires municipalities to adopt NJDEP-mandated regulations for privately owned salt storage; and

WHEREAS, the Borough Engineer and Borough Attorney have reviewed the model ordinance provided by NJDEP and recommend adoption; and

WHEREAS, the Mayor and Borough Council desire to adopt the NJDEP model ordinance.

NOW, THEREFORE, BE IT ORDAINED by the Borough Council of the Borough of Bloomingdale, County of Passaic, State of New Jersey, as follows:

SECTION 1. Chapter 24, Environmental Regulations, of the Borough Code is hereby amended to establish § 24-3, Privately Owned Salt Storage, to read as follows:

§ 24-3 PRIVATELY OWNED SALT STORAGE

§ 24-3.1 Purpose.

The purpose of this ordinance is to prevent stored salt and other solid de-icing materials from being exposed to stormwater.

This ordinance establishes requirements for the storage of salt and other solid de-icing materials on properties not owned or operated by the municipality (privately-owned), including residences, in the Borough of Bloomingdale to protect the environment, public health, safety and welfare, and to prescribe penalties for failure to comply.

§ 24-3.2 Definitions.

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Section clearly demonstrates a different meaning. When consistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory.

- a. “De-icing materials” means any granular or solid material such as melting salt or any other granular solid that assists in the melting of snow.
- b. “Impervious surface” means a surface that has been covered with a layer of material so that it is highly resistant to infiltration by water.
- c. “Storm drain inlet” means the point of entry into the storm sewer system.
- d. “Permanent structure” means a permanent building or permanent structure that is anchored to a permanent foundation with an impermeable floor, and that is completely roofed and walled (new structures require a door or other means of sealing the access way from wind driven rainfall).

A fabric frame structure is a permanent structure if it meets the following specifications:

- 1. Concrete blocks, jersey barriers or other similar material shall be placed around the interior of the structure to protect the side walls during loading and unloading of de-icing materials;
 - 2. The design shall prevent stormwater run-on and run through, and the fabric cannot leak;
 - 3. The structure shall be erected on an impermeable slab;
 - 4. The structure cannot be open sided; and
 - 5. The structure shall have a roll up door or other means of sealing the access way from wind driven rainfall.
- e. “Person” means any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.
 - f. “Resident” means a person who resides on a residential property where de-icing material is stored.

§ 24-3.3 Deicing Material Storage Requirements.

- a. Temporary outdoor storage of de-icing materials in accordance with the requirements below is allowed between October 15th and April 15th:
 - 1. Loose materials shall be placed on a flat, impervious surface in a manner that prevents stormwater run-through;
 - 2. Loose materials shall be placed at least 50 feet from surface water bodies, storm drain inlets, ditches and/or other stormwater conveyance channels;
 - 3. Loose materials shall be maintained in a cone-shaped storage pile. If loading or unloading activities alter the cone-shape during daily activities, tracked materials shall be swept back into the storage pile, and the storage pile shall be reshaped into a cone after use;
 - 4. Loose materials shall be covered as follows:
 - (a) The cover shall be waterproof, impermeable, and flexible;
 - (b) The cover shall extend to the base of the pile(s);
 - (c) The cover shall be free from holes or tears;
 - (d) The cover shall be secured and weighed down around the perimeter to prevent removal by wind; and
 - (e) Weight shall be placed on the cover(s) in such a way that minimizes the potential of exposure as materials shift and runoff flows down to the base of the pile.

[1] Sandbags lashed together with rope or cable and placed uniformly over the flexible cover, or poly-cord nets provide a suitable method. Items that can potentially hold water (e.g., old tires) shall not be used;

5. Containers must be sealed when not in use; and
6. The site shall be free of all loose de-icing materials stored in temporary outdoor storage facilities between April 16th and October 14th.
- b. De-icing materials should be stored in a permanent structure if a suitable storage structure is available. For storage of loose de-icing materials in a permanent structure, such storage may be permanent, and thus not restricted to October 15 -April 15.
- c. All such temporary and/or permanent structures must also comply with all other Borough of Bloomingdale ordinances, including building and zoning regulations.
- d. The property owner, or owner of the de-icing materials if different, shall designate a person(s) responsible for operations at the site where these materials are stored outdoors, and who shall document that weekly inspections are conducted to ensure that the conditions of this ordinance are met. Inspection records shall be kept on site and made available to the municipality upon request.
- e. Storage of salt and other solid deicing materials must also comply with the requirements set forth in **§92-26(I)** of the Borough Code.

§ 24-3.4 Exemptions.

If containerized (in bags or buckets) de-icing materials are stored within a permanent structure, they are not subject to the storage and inspection requirements in § 24-3.3 above. Piles of de-icing materials are not exempt, even if stored in a permanent structure.

This Ordinance does not apply to facilities where the stormwater discharges from de-icing material storage activities is regulated under another NJPDES permit.

§ 23-4.5 Enforcement.

This Ordinance shall be enforced by the Borough Zoning Officer and/or Borough Code Enforcement Officer during the course of ordinary enforcement duties.

§ 23-4.6 Violations and Penalties.

Any person(s) who is found to be in violation of the provisions of this ordinance shall have 72 hours to complete corrective action. Repeat violations and/or failure to complete corrective action shall subject such person(s) to fines and penalties in accordance with N.J.S.A. 40:49-5.

All other portions of this Chapter not addressed herein shall remain unchanged.

SECTION 2. Ordinances, resolutions, regulations or parts of ordinances, resolutions and regulations inconsistent herewith are hereby repealed to the extent of such inconsistencies.

Made the following inquiries:

- Questioned the process of hiring Z. Borell *[[the borough paying for the academy versus choosing an alternate route candidate]]*
Mayor responded: The Borough's decision was to go the 'in-house route' which was done for two other officers in recent years. Zach will be at a lower rate of pay until he graduates from the academy.
- Interest rate for bonds; 3.25%

- Discussion with Mayor on recent flooding of Van Dam Ave; it was suggested a letter get mailed to residents as some are new to town. Culverts to be fixed.

Since there was no one else who wished to speak, HUDSON moved that it be closed; second by DELLARIPA and carried on voice vote all members voting (AYE), none were opposed.

The sale of such Notes may be conducted by receipt of electronic proposals via PARITY or electronic mail, as described above in Section 14 hereof. The use of the services provided by PARITY and the fees, if any, associated therewith are also hereby approved with respect to the Notes. The Mayor and Chief Financial Officer of the Borough are further authorized and directed to do and accomplish all matters and things necessary or desirable to effectuate the offering and sale of the Notes in accordance herewith.

G) Any Notes issued pursuant to this resolution and said bond ordinances referenced Section 19 hereof shall be general obligations of the Borough, and the Borough's full faith and credit are hereby irrevocably pledged to the punctual payment of the principal of and interest on said Notes and, unless paid from other sources, the Borough is required by law to provide for the payment thereof by the levy of *ad valorem* taxes on all the taxable property located within the Borough, without limitation as to rate or amount.

Section 20. The Borough hereby covenants that it will comply with any condition subsequent imposed by the Internal Revenue Code of 1986, as amended (the "Code"), to preserve the exemption from taxation of interest on the Bonds and the Notes from Federal income taxes, including the requirement to rebate all net investment earnings on the gross proceeds above the arbitrage yield on the Bonds and the Notes, if necessary.

Section 21. The Borough is hereby authorized to make representations and warranties, to enter into agreements and to make all arrangements with DTC, as may be necessary, to provide that the Bonds and the Notes will be eligible for deposit with DTC and to satisfy any obligation undertaken in connection therewith.

Section 22. In the event DTC may determine to discontinue providing its services with respect to the Bonds or the Notes or is removed by the Borough, and if no successor securities depository is appointed, the Bonds and/or Notes which were previously issued in book-entry only form shall be converted to Registered Bonds or Registered Notes, as applicable (collectively, the "Registered Obligations"), in denominations of \$5,000 each or any integral multiple of \$1,000 in excess thereof. The beneficial owner under the book-entry system, upon registration of the Bonds and/or the Notes held in the beneficial owner's name, will become the registered owner of the respective Registered Obligations. The Borough shall be obligated to provide for the execution and delivery of the respective Registered Obligations in certified form.

Section 23. The Chief Financial Officer is hereby authorized and directed to "deem final" the Official Statement (the "Official Statement") prepared with respect to the issuance of the Bonds and the Notes and pursuant to the provisions of the Rule (as hereinafter defined) and to execute a certificate regarding same. The Chief Financial Officer is hereby authorized and directed to authorize and approve the use and distribution of the Official Statement in preliminary form (the "Preliminary Official Statement") in connection with the marketing, offering and sale of the Bonds and the Notes. Upon the sale of the Bonds and the Notes, the Preliminary Official Statement shall be modified, in consultation with Bond Counsel, the Municipal Advisor and the Auditor, to reflect the effect of the sale of the Bonds

and the Notes and said modified Preliminary Official Statement shall constitute the final Official Statement (the "Final Official Statement"). The Chief Financial Officer of the Borough is hereby authorized and directed to execute and deliver the respective Certificates to the respective purchasers of the Bonds and the Notes evidencing the Borough's undertaking with respect to the Rule. Notwithstanding the foregoing, failure of the Borough to comply with the Certificates shall not be considered a default on the Bonds or the Notes, as applicable; however, any Bondholder or Noteholder, as applicable, may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance, to cause the Borough to comply with its obligations hereunder and thereunder.

Section 25. The Chief Financial Officer of the Borough is hereby authorized and directed to sell the aforesaid Bonds and Notes and to determine all matters in connection with the sale, issuance, execution and delivery of the Bonds and the Notes (including the adjustment of the maturities or any other matters set forth in this resolution that are deemed necessary and advisable to change by the Chief Financial Officer, prior to the sale or closing of the Bonds and the Notes, as applicable, all in consultation with Bond Counsel, the Municipal Advisor and the Auditor), and the manual or facsimile signature of the Chief Financial Officer of the Borough upon any documents, agreements or certificates shall be conclusive evidence as to all such determinations. The Mayor, Chief Financial Officer, Clerk of the Borough and any other Borough Official or professional, including, but not limited to, Bond Counsel, the Municipal Advisor, the Auditor, the Borough Engineer and Borough Attorney (collectively, the "Borough Officials"), are each hereby authorized and directed to execute and deliver such documents, certificates, agreements and opinions as are necessary to consummate the authorization, issuance, sale, execution and closing of the Bonds and the Notes, respectively, and to take such actions or refrain from such actions as are necessary for the authorization, issuance, sale, execution and closing of the Bonds and the Notes, respectively, and all such actions or inactions taken by the aforesaid Borough Officials and professionals heretofore are hereby ratified and confirmed.

Section 26. Neither the Bonds nor the Notes are designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B)(ii) of the Code.

Section 27. This resolution shall take effect immediately.

If the Bid submitted electronically via PARITY is accepted by the Borough, the terms of the Bid and this Notice of Sale and the information that is electronically transmitted via PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

PARITY is not an agent of the Borough, and the Borough shall have no liability whatsoever based on any Bidder's use of PARITY, including, but not limited to, any failure by PARITY to correctly or timely transmit information provided by the Borough or information provided by the Bidder.

Once the bids are communicated electronically via PARITY to the Borough, each Bid will constitute an official "Bid for Bonds" and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all "Bids for Bonds" electronically via PARITY, the time as maintained on PARITY shall constitute the official time.

Each Bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its Bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Borough nor PARITY shall have any duty or obligation to provide or assure to any Bidder, and neither the Borough nor PARITY shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY. The Borough is using PARITY as a communication mechanism, and not as the Borough's agent, to conduct the electronic bidding for the Bonds. - (4) All Bids for the Bonds must be submitted on an AON basis.
- (5) Bidders may bid to purchase Bonds from the Borough at a price which is no less than the par amount and no greater than 107% of the par amount. No Bid shall be considered that offers to pay an amount less than the total principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest True Interest Cost to the Borough under any legally acceptable Bid.
- (6) Bidders must specify a rate of interest for each maturity of the Bonds, which rate of interest must be expressed in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). There is no limitation on the number of rates of interest that may be named.
- (7) Bidders are only permitted to submit Bids for the Bonds during the bidding period.
- (8) The Winning Bidder shall be obligated to furnish to the Borough within forty-eight (48) hours prior to the date of delivery of the Bonds a certificate satisfactory to Bond Counsel to the Borough, the form of which is attached hereto as Exhibit A, to the effect that: (i) each maturity of the Bonds has been the subject of a bona fide initial offering to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the initial public offering price set forth in such certificate; (ii) ten percent (10%) or more in par amount of the Bonds of each maturity were sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the initial public offering price for such maturity set forth in such certificate; (iii) at the time the Winning Bidder submitted its bid to the Borough, based upon then prevailing market conditions, the Winning Bidder had no reason to believe that any maturity of the Bonds would be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at a price greater than the initial public offering price for that maturity, or that the fair market of any maturity of the Bonds would be in excess of the initial public offering price for that maturity (in the event the Borough receives fewer than three (3) bids for the Bonds, then the issue price

of the Bonds shall be established based on the first price at which at least 10% of each maturity of the Bonds was sold to the Public (as defined below)); or (iv) the initial offering price to the Public as of the Sale Date of any Maturity of the Bonds is the issue price of that Maturity, in each case applied on a Maturity-by-Maturity basis (and if different interest rates apply within a Maturity, to each separate CUSIP number within that Maturity). The Winning Bidder shall be required to deliver on the Delivery Date a certificate to such effect, and provide to the Borough, in writing, evidence satisfactory to Bond Counsel to the Borough of such sales prices for each maturity of the Bonds. In the event that the Winning Bidder has not sold at least 10% of each maturity of the Bonds to the Public as of the Sale Date (each, an "Unsold Maturity"), the Winning Bidder shall be subject to the hold-the-offering-price rule. "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter (as defined herein) or a related party to the Underwriter. The term "related party" generally means any two or more persons who have greater than fifty percent (50%) common ownership, directly or indirectly. "Underwriter" means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public). Such certificate shall state that it is made to the best knowledge, information and belief of the Winning Bidder.

- (9) Additionally, the Winning Bidder shall be obligated to furnish to the Borough within forty-eight (48) hours of the Bid Date the public offering prices and reoffering yields for each maturity of the Bonds.

Definitions

- "Bid" any confirmed purchase offer received by PARITY on or before the end of the bidding time period.
- "Bidder" any firm registered and approved for participation in the sale.
- "True Interest Cost" computed by determining the interest rate, compounded semiannually, necessary to discount the debt service payments to the date of the bonds and to the price bid, excluding accrued interest to the delivery date. The True Interest Cost serves as the basis for awarding bonds to Winning Bidders.
- "Winning Bid" any purchase offer made by a Bidder and received by PARITY which, at the end of the bidding time period, results in the lowest True Interest Cost which is acceptable to the Borough.

Bid Procedure and Basis of Award

Subject to the right reserved by the Borough to reject any or all Bids, the Bonds will be sold to the Bidder whose Bid produces the lowest True Interest Cost for the Borough and otherwise complies with this Notice of Sale.

Bids must remain valid until at least 2:00 p.m., prevailing New Jersey time, on the Bid Date, and if accepted by the Borough, prior to such time, shall be irrevocable except as otherwise provided in this Notice of Sale. Upon selection of the Winning Bidder, the Borough will execute an award certificate to award the Bonds and will promptly communicate with the Winning Bidder by telephone, electronic mail or facsimile.

Bid Security and Method of Payment for Bonds

A Good Faith Deposit (“Deposit”) in the form of a certified or cashier’s or treasurer’s check, wire transfer or a Financial Surety Bond, if available, in the amount of \$218,780, payable to the order of the Borough, is required for each Bid to be considered. Wire instructions can be obtained by contacting Bryan Morris, acting on behalf of Phoenix Advisor, LLC, Municipal Advisor to the Borough, at (609) 291-0130 and such wire must be received and confirmed by the Borough prior to 11:00 a.m. (New Jersey time) on the Bid Date. If a check is used, it must be a certified or cashier’s or treasurer’s check and must be provided to the Borough prior to 11:00 a.m. on the Bid Date. Each Bidder accepts responsibility for delivering such deposit on time and the Borough is not responsible for any deposit that is not received on time. If a Financial Surety Bond is available and used, it must be from an insurance company licensed to issue such a bond in the State of New Jersey and approved by the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs (the “Director”) and such bond must be submitted to the Borough prior to 11:00 a.m. on January 30, 2024 at the address referred to above. Use of any Financial Surety Bond must be approved by the Director prior to the Bid and will not be accepted by the Borough unless evidence of such approval is provided prior to the Bid. The Financial Surety Bond must identify the Bidder whose Deposit is guaranteed by such Financial Surety Bond. If the Bonds are awarded to a Bidder utilizing a Financial Surety Bond, then that Winning Bidder is required to submit its Deposit to the Borough by wire transfer as instructed by the Borough no later than 3:30 p.m. on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the Borough to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Winning Bidder. The Deposit will be applied to the purchase price of the Bonds. In the event the Winning Bidder fails to honor its accepted Bid or fails (other than for reasons permitted under this Notice) to accept delivery of and pay for the Bonds on the closing date, the Deposit shall be retained by the Borough as, and for, full liquidated damages to secure the Borough from any loss resulting from such failure by the Winning Bidder. Award of the Bonds to the Winning Bidder or rejection of all Bids is expected to be made within two hours after opening of the Bids, but such Winning Bidder may not withdraw its proposal until after 2:00 p.m. on the Bid Date and then only if such award has not been made prior to the withdrawal of the Bid. The balance of the purchase price shall be paid in Federal Funds by wire transfer to the Borough on or about February 15, 2024.

Right to Reject Bids; Waive Irregularities

The Borough reserves the right to reject any and all Bids and, to the extent permitted by law, to waive any irregularity or informality in any Bid.

Delivery of the Bonds

The Bonds will be delivered on or about February 15, 2024 (UNLESS A NOTICE OF A CHANGE IN THE DELIVERY DATE IS PUBLISHED ON PARITY NOT LATER THAN 2 HOURS PRIOR TO ANY ANNOUNCED DATE FOR RECEIPT OF BIDS) to or at the direction of DTC against payment of the purchase price therefor (less the amount of the good faith deposit). PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE BY WIRE TRANSFER OF IMMEDIATELY AVAILABLE FUNDS.

There will also be furnished the usual closing certificates, including (1) a certificate, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery of the Bonds, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds, (2) certificates in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds, the receipt of payment therefor and compliance with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), necessary to preserve the tax exemption on the Bonds from federal income taxes, (3) a certificate signed by the Borough relating to the Official Statement, and (4) a Continuing Disclosure Certificate evidencing compliance with the Rule (as defined herein) and the undertaking of the Borough with respect thereto.

CUSIP Identification Numbers

The request for the assignment of CUSIP identification numbers shall be the responsibility of Phoenix Advisors, LLC, Bordentown, New Jersey, the Municipal Advisor to the Borough (the "Municipal Advisor"), and the CUSIP Service Bureau charge therefor shall be the responsibility of, and shall be paid for by, the purchaser of the Bonds. CUSIP numbers must be communicated to Bond Counsel within twenty-four (24) hours of the award of the Bonds to have the CUSIP numbers printed on the Bonds. Neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and make payment for the Bonds in accordance with the terms of this Notice of Sale.

Legal Opinion

The approving opinion of Wilentz, Goldman & Spitzer, P.A., Woodbridge, New Jersey, Bond Counsel to the Borough, will be furnished without cost to the Winning Bidder, such opinion to be substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the marketing and sale of the Bonds, to the effect that the Bonds are valid and legally binding general obligations of the Borough, that all the taxable property therein will be subject to the levy of *ad valorem* taxes to pay the principal of the Bonds and the interest thereon without limitation as to rate or amount, that interest on the Bonds is not includable as gross income under the Internal Revenue Code of 1986, as amended, if the Borough complies with all conditions subsequent contained in the Code, and that interest on the Bonds and any gain on the sale thereof is not includable as gross income under the existing New Jersey Gross Income Tax Act.

Postponement

The Borough reserves the right to postpone, from time to time, the date and time established for receipt of Bids. **ANY SUCH POSTPONEMENT WILL BE PUBLISHED ON PARITY, PRIOR TO 11:00 A.M. ON THE BID DATE.** If any date fixed for the receipt of Bids and the sale of the Bonds is postponed, an alternative sale date will be announced via PARITY at least forty-eight (48) hours prior to such alternative sale date. On any such alternative sale date, any Bidder may submit a Bid for the purchase of the Bonds in conformity in all respects with the provisions of this Notice of Sale, except for the date of sale and except for the changes announced on PARITY at the time the sale date and time are announced.

Termination

The Winning Bidder at its option may refuse to accept the Bonds if prior to their delivery any change in any income tax law of the United States of America shall provide that the interest thereon is includable or shall be includable in gross income at a future date for Federal income tax purposes. In such case, the deposit made by such Winning Bidder shall be returned and such Bidder will be relieved of its contractual obligations arising from the acceptance of its Winning Bid.
