Councilwoman Huntley asked why the \$14,000 payment to BASS was not on the bill list and Borough Administrator stated that the bills are being reviewed and the Finance Department has some questions. There was not enough time for those who wanted to review the bills to get it on the bill list for approval.

Councilman Specchio spoke also in regard to the legal fees we have spent in regard to the DelGuidice litigation and felt that it has hurt the taxpayers for loss of revenue.

Councilman Vroom asked that the item #1001442 for Atlantic Diesel be voted on separately as he has to recuse himself on that bill.

Councilwoman Pituch also asked about a repair for a truck, Item #01482 which was not brought to the Council and asked to be informed the next time.

LATE PUBLIC COMMENT

Councilman Vroom opened the meeting to late public comment; seconded by Councilwoman Pituch and carried on voice vote.

Edward Ball, 13 Crane Avenue, spoke in regard to the money which the homeowners pay for meters; where does that go; shouldn't that offset the cost. He asked how much the hydrants cost to put in and does our Water/Sewer Department do all the work.

Borough Administrator stated that most of them, we have to have subcontracts do the work.

Mr. Ball felt the cost of \$30,000 quoted by the Administrator to repair the salt truck was high and suggested he get quote from Tony Sanchez Limited in Ledgewood.

Mr. Ball also stated that the Committee only had one meeting with the DPW Superintendent and we did not review the trucks outside; plow was not brought up.

Mr. Ball spoke of a letter he received from property Maintenance/Code Enforcement about bagging leaves; there was no date on the letter and not addressed to him. Noted that he tried to call the number on the letter but it didn't say anything as to who he was calling; he also stated that he has been complaining about 26 Crane Avenue for years and nothing has been done about that.

Borough Administrator will check into the notice and give Mr. Ball a call.

Mr. Ball also asked when the lights on Main Street will be fixed; Borough Administrator stated that we had to first find out who damaged them, submit to our insurance carrier, wait for reimbursement which we have received and now he has to go out for quotes to fix the mounts.

Jon Dunleavy, 51 Morse Lakes Road, spoke in regard to fact that the Water/Sewer Superintendent attended the last meeting and asked for \$75,000 and noted that he would not have asked for that amount if he didn't think we needed it and stated the process should go forward.

Mr. Dunleavy spoke in regard to the DelGuidice lawsuit and asked about the cost of legal fees to the Borough due to the intervener's lawsuit.

Borough Attorney stated that they are paying their own lawyer.

In regard to the email server, Mr. Dunleavy stated that it was discussed prior to this evening and noted that this should be "hashed" out before a meeting; is there a contract or not.

In regard to the money due BASS, the \$14,000 payment was on the last bill list and they were told they would receive it.

In regard to the maintenance of vehicles, it was noted that the committee is waiting for a report per Councilman Schiffman.

Mr. Dunleavy asked what the function of the committee is and it was noted they are an ad hoc committee and their job is to make recommendations to the Mayor and Council in regard to maintenance and purchasing of vehicles.

Mr. Dunleavy stated the Superintendent should let the Committee know; discussion in regard to maintenance logs and it was noted that the Borough Administrator will have a report by the next meeting.

Borough Administrator stated that he was instructed to wait on the van until the budget was in place.

Leslie Monsees, 153 Rafkind Road, asked what the cost is to go out for bonding; what is our bonding capacity. Mrs. Monsees also stated she was surprised the vehicles were not in the budget.

Borough Administrator stated that the police vehicle was withdrawn and money was left in for the fit up. DPW truck and salt truck repair were discussed and there is repair money in the budget.

In response to legal fees for DelGuidice, Borough Attorney stated that it was in defense of a decision made by the Planning Board.

Linda Shortman, W. Shore Road, spoke in regard to prior appeals by the Board and there were legal defense costs involved, i.e. Patriot Ridge.

Mrs. Shortman spoke in regard to property maintenance in the Borough and asked what the hours of the property maintenance officer are; Borough Administrator will have him attend a meeting.

Borough Administrator stated that as he has informed Mrs. Shortman before, the Police Department is the enforcing agent for garbage left out.
